I will accommodate whatever they need. After 4:30 would be ideal.  
Also, I would suggest they do a test run with their AV equipment; they had some problems last time.

Thank you both for your help. How early can we arrive in the auditorium to set up on the 12<sup>th</sup>? Also, can I visit the school before the public meeting just to see the space?

Again, thank you!

Regarding #2,

I just spoke with Peter Santana and Harrison High School has a **full Audio System** in the Auditorium, although they do not have a XLR/RCA cable.

Hope this helps,

Tricia

All,

I spoke with Shereen from the EPA today regarding the 9/12/18 EPA presentation at the HHS Auditorium. Shereen is waiting for 2 things: 1. Comments to the PowerPoint (attached), and 2. Whether the school auditorium has an XLR/RCA line feed.

As to #2, Trish is going to find out and get back to me. As to #1, please review and advise (especially slide #19).

Thanks.

Paul
